

APPRECIATING NATURE

073

I notice the world around me.

APPRECIATING NATURE

074

Fresh air clears my busy mind.

APPRECIATING NATURE

075

I take care of the earth in small ways.

APPRECIATING NATURE

076

Trees grow slowly, and so do I.

APPRECIATING NATURE

077

I can be still and listen to the birds.

APPRECIATING NATURE

078

The sky is different every single day.

APPRECIATING NATURE

079

I pick up litter even when nobody sees.

APPRECIATING NATURE

080

Wonder is everywhere if I look closely.

APPRECIATING NATURE

081

Muddy hands mean a good day.

APPRECIATING NATURE

082

I am part of something much bigger than me.

APPRECIATING NATURE

083

Rain helps things grow, including me.

APPRECIATING NATURE

084

I move my body outside today.

APPRECIATING NATURE

085

Seeds become forests. Patience works.

APPRECIATING NATURE

086

I am gentle with living things.
